

Happy Christmas

CNI NETWORK .org.uk

Merry Christmas from CNI Network

Paul, Jean and the Trustees would like to thank all those who have supported CNI Network throughout 2015 in what has been an amazing year of making the difference in 130 local communities across the UK and overseas. We have seen: new projects started; increased media coverage; a National Conference; local project visits with the #VolunteersAreAmazing booklets; awareness raising of CNI and local projects at conferences and events; hundreds hearing our story through talks; increased work at music festivals and sporting events and a year of celebration of all we achieve together!

THANK YOU - have a lovely Christmas and New Year
