WHO ARE THE STREET ANGELS?

WHO ARE THE STREET ANGELS?

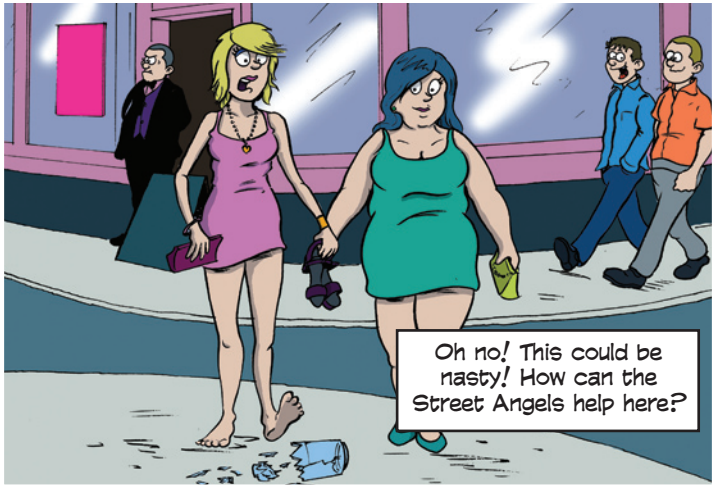

Street Angels are volunteers who patrol Cleethorpes in small teams on Saturday nights interacting with people on the street. ***We are there to be a reassuring presence; to care, to listen, to talk and to offer practical help.*** We are there for the vulnerable.

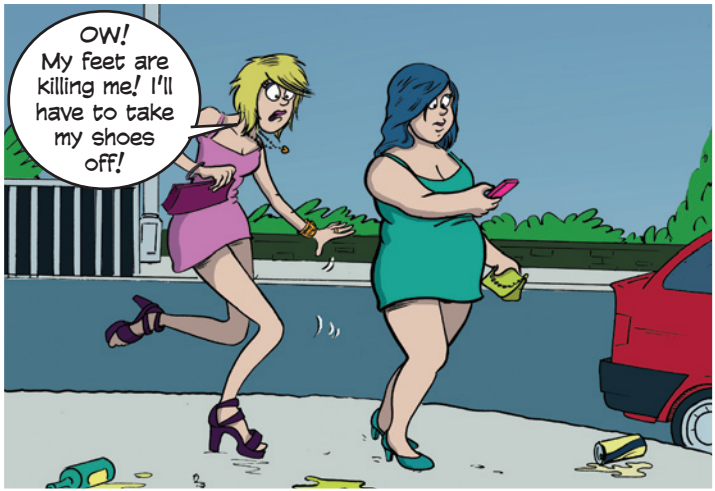

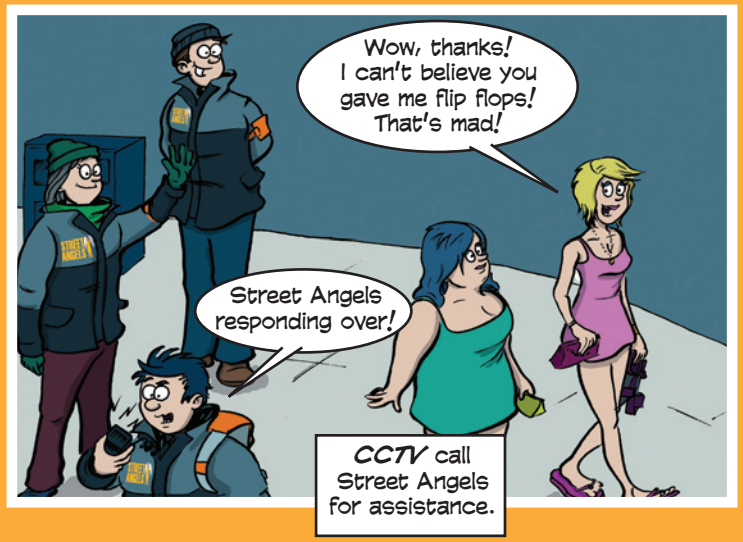

Cheers! You guys really are angels!

STREET ANGELS

We respond if someone needs help but will also call the appropriate services if needed. However, we hope to reduce these calls by providing practical help like: *picking up discarded bottles, helping people get a taxi home, contacting friends or family, being a listening ear, chatting with people and maybe even providing flip flops to those not wearing shoes.* The main point though is to provide a friendly face in the centre of Cleethorpes, helping to make everyone's evening as much fun and as safe as it can be.

The ***Street Angels*** project is co-ordinated by Churches Together in N E Lincolnshire, however, ***volunteers don't have to belong to a church***, but they do want to be part of a team working to improve the safety of people who are using our bars, restaurants and clubs.

The project is supported by Safer and Stronger Communities, Humberside Police, VANEL Volunteer Centre and other local agencies.
