

Alcohol and Safety Education Resource

A brand new resource developed by Street Angels who see first hand the effects and impact of young people and alcohol. The pack aims to explore issues that effect the lives of many young people to better inform them of the reality of alcohol and encourage them to stay safe when drinking.

This pack includes:

- * Ice Breakers
- * Alcohol Unit Calculator
- * True or False Quiz
- * Decision Making
- * Case Studies
- * Impact of Alcohol on a Person
- * Dynamic Risk Assessment Scenario
- * Drink or No Drink Game
- * Sample Lesson Plan

It is easy to deliver - pick and chose which material you use depending on relevance and time. It is ideal for schools, colleges, youth workers, parents, youth clubs, uniformed organisations, small charities, small businesses, young people's care providers and churches.

The pack is available at a low cost suggested donation of £10 - visit:
