

Beyond The Streets Network

‘Beyond Barriers: Seeing the Bigger Picture’

3rd –5th October 2014
Hothorpe Hall, Leicestershire

Beyond Barriers is the title of our up and coming conference. This weekend aims to inspire us to help overcome some of our challenges and provide practical training on issues relating to helping women exit.

Who is it for? - The conference is aimed at those who are engaged with the issue of sexual exploitation within prostitution/trafficking and those who have an interest in this area and are looking to discover more. Whether you are a project manager, staff member, volunteer or trustee of an existing project that engages with individuals involved in prostitution, or would like to learn more about what support work involves, this conference is an essential biennial gathering.

What to expect?

- Exploring a Christian response to prostitution and sexual exploitation.
- Sharing from the many years of knowledge, and experience within the network.
- Training from inspiring practitioners
- Input from Dr. Rachel Jordan Head of Mission for Church of England
- Learning from each other in conversation and dialogue
- Enjoying a retreat in a stunning location (www.hothorpe.co.uk)
- Praying into your challenges and hopes
- Receiving a greater sense of vision
- Feeling better equipped to engage in your work

What delegates had to say about our last conference:

“Thank you for an inspiring and well organised conference-I feel renewed”

“Lovely place to reflect, hangout as a team, rest and network”

“Life changing, dream making, hope changing!”
