

IMPACT REPORT

A review of our first year

IMPACT SNAPSHOT

24

Taxis called for people, ensuring that they get home safely. If we need to we have paid for the taxi. Waiting with them until they are safely in the cab shows how much we care for them and we have accompanied people home.

500+

Positive interactions involves support, empathy, and kindness. Being a good listener can provide comfort and validation. Simple gestures like offering lollipops or water shows care and brightens someone's day. Such interactions strengthen connections and foster community, reminding us that kindness is always accessible.

104

Interactions with the Homeless. They have been helped with hot food and drinks, sleeping bags, clothing, survival bags, sleep pods. The hub at St James' provides a warm space.

30

First Aid given and/or ambulances called. We have taken people to A & E and stayed with them until they are admitted. Families were contacted.

3

People helped to their home. To ensure someone's safety it has been necessary to physically help them back to their home.

4

Festivals or Events attended. We were at the Spring Fair for Milly's Smiles at Great Harwood in May and will be back there in 2025. Connecting Cultures in June. Oakfest in July. IMEP Concert with Jess Glynne in September.

40

times glass bottles or broken glass was swept up from the streets in order that the streets are safer.
