Another busy month in the life of Halifax Street Angels! We welcomed Rachel Scott and John Edwards. Rachel is from The Living Room in Tenerife who are linking in with the work of CNI Network and looking at work in the European clubbing spots for 2013. John is a former addict who met Jesus whilst living on the streets. His life is now dedicated to bringing hope to the hopeless and will be promoting the work of Street Angels - CNI on trips across the UK, Ireland and America.

Thanks to those who helped steward the Passion Play, Long March St George's Day events in April and to the amazing volunteers who make Street Angels happen week in and week out (with around 20 Angels every Saturday).
